ANNOUNCEMENT: DOMBOSHAVA MEDCLINIC OPENS

Dr Farayi Moyana & Associates (Dental Practitioners, www.moyanaorthodontal.com) incorporating Borrowdale Dental Surgery (www.borrowdaledentalsurgery.com) have the pleasure to announce the opening of our DOMBOSHAVA MEDCLINIC (www.domboshavamedclinic.org) situated at Mungate Business Centre, just about 15kilometres from Sam Levy's Village along Domboshava Rd. **Domboshava MedClinic** is an integrated health facility offering the following flagship services:

- **DENTAL CLINIC** with a dental studio having 2 treatment stations. Already operational.
- A general **MEDICAL** consulting department, with 2 general Practitioners and registered nurses. We also offer a satellite medical laboratory service. Already operational.
- **MATERNITY DEPARTMENT** (first bookings start on 1 July 2020). We are starting with Normal Vertex Deliveries (normal deliveries). We have a team of midwives supported by 2 general practitioners as well as a covering Gynecologist and Obstetrician (for those without one). We currently offer Ante-natal visits, vaccinations/immunisations, family planning and baby growth monitoring services.
- **Ultra Sound Scan service** (starts on 1 May 2020).

As a token of appreciation for your support over the years our **Domboshava MedClinic orthodontic programme** (enquiries through our Medical Chambers Surgery on 0772848051) is giving a 30% courtesy reduction (discount). Attached is our Maternity booking form which can share to friends and colleagues.

We hope to welcome you at the MedClinic on 19th January at our Free Health Checkup campaign focusing on Dental, Diabetes, Hypertension, and TB awareness and screening.

Regards Dr Farayi Moyana
